Missing Children:

Information and Prevention for Families

Dear Parents and Students:

Our goal is to keep you informed with the most up to date information and provide resources that may be helpful to you or someone you know in when it comes to missing children.

Reference the helpful resources below.

[Quick Reference Guide for Families](#)

[What to Do if You Believe Your Child is Missing](#)

Prevention Tip: Use this [handy template](#) for a Fingerprint Kit to save your child's fingerprints and photo. Update it each year.

Ohio Missing Child Clearing House

What is the Ohio Missing Child Clearing House?

- Administered by the attorney general
- Established as a central repository of information to coordinate and improve the availability of information regarding missing children
- Information is collected and disseminated by the clearinghouse to assist in the location of missing children

- Acts as an information repository separate from and in addition to law enforcement agencies within this state

Ohio Governor's Human Trafficking Task Force

January is Human Trafficking Awareness Month. Human trafficking is a modern-day form of slavery involving the illegal trade of human beings for the purpose of exploitation for commercial gain, and is happening here in Ohio.

A preliminary report on the scope of the problem in Ohio cited nine out of 10 children who run away from home end up in the child sex trafficking business. The most common age in Ohio for youths to become child sex trafficking victims is 13 years old.

Ohio Human Trafficking Commission

Human trafficking is an estimated multi-billion a year international enterprise that forces the most vulnerable among us into the horrors of modern-day slavery. Criminals who are involved in trafficking other human beings prey upon those already at risk in our society, often our children. In fact, a preliminary report on the scope of the problem in Ohio cited 13 years old as the most common age in Ohio for youth to become victims of child sex trafficking. From the study's sample of 207 individuals, 49 percent were under 18 when they were first trafficked. Nationally, over 100,000 children are thought to be involved in the sex trade.

The Attorney General's Office cannot fight this problem alone. In order to prosecute those who are preying upon our vulnerable populations, **we urge Ohioans to report any information they might have about human trafficking to BCI by calling 1-855-BCI-OHIO (224-6446)**. This will allow our agents to work with local law enforcement to arrest and prosecute traffickers.
