Dear OCP Families,

I am delighted to introduce myself to you. My name is Debra Fisher and I am the new Interim Principal of Ohio College Preparatory School. This marks my 14<sup>th</sup> year in education and my 5<sup>th</sup> year as a K-8 Principal. I take my job very seriously and thank you for entrusting me with your child's education. I will do everything in my power to ensure your child gets the education they deserve.

We have a lot of important work to do for the remainder of the year. Our K-2 students are continuing to grow as readers, writers, and mathematicians. We want them to close out the year strong and do well with their end of the year assessments.

Our 3<sup>rd</sup>-8<sup>th</sup> grade students will be taking the Ohio State Tests right after spring break. These are high stakes tests that each scholar needs to pass in order to be considered on track for the next school year. It is important that scholars use every second of their time at school wisely. We cannot afford to waste even a minute of instructional time.

I have enjoyed meeting many of you during drop off and pick up and look forward to meeting even more of you at parent/teacher conferences on March 15<sup>th</sup> from 12:00-4:00pm. Please call the office to schedule your appointment.

Please do not hesitate to contact me if you have any questions or if I can assist you in any way.
